

Our Promise To You: *To deliver a luxurious spa experience.*

Hi everyone!

Welcome to our Spring newsletter.

Firstly, a big thank you to all of our loyal clients for visiting us in our new central city home. It seems our intimate space, so close to town, has been a big hit. Over the last six months, (has it been that long already?), we've also welcomed a host of new clients who have enjoyed our much-loved treatments and products.

Is it too early to mention Christmas? We're looking forward to the festive season, and we'll be giving our team a well-earned rest over this period. Woman will be closed from mid-afternoon on the 24th December until 6th January. We will, of course, have extended hours during the weeks leading up to this, but please schedule your appointments early.

But before Christmas, we have a fantastic Nelson spring to enjoy. To make yours even more enjoyable do check out our latest specials, we have some fabulous treats and discounts for you!

Hydra-Soothing Mask - The Hydra-Soothing Mask is an effective refreshing bath, specially formulated to optimise the skins barrier function and restore its comfort. Discover Sothys unique porcelain modelling spoons, which provide a cooling touch and lymphatic drainage to perfect the treatment.

For a final protective touch, the treatment concludes with the application of the Soothing melting fluid. \$130 - Allow 50 minutes.
