News from Woman
Winter 2020

Our Promise To You: *To deliver a luxurious spa experience.*

Welcome back, everyone! We are delighted that we can, once again, help you achieve your skin goals or treat you with a decadent Spa Ritual if you need to relax. If you feel you're missing out on your mid-winter tropical holiday, we can help you with a tropical staycation, right here at Woman! We love helping you to relax and know how to make you feel rested.

Winter is the perfect time to invest in yourself. You may wish to update your cosmetic bag with some beautiful Jane Iredale skincare mineral-based makeup. Or your face and body may need extra hydration, our wonderful treatments and products can help you say goodbye to dry winter skin. In this newsletter, we have some new seasonal specials at fantastic prices for you to enjoy.

Some of you may know that, unfortunately, our premises were broken into on the 29th of May. All our retail stock was stolen. No time would have been a good time for this to happen, but we felt particularly unlucky as it came hot on the heels of our seven-week lockdown closure. So, all of your best wishes and support on social media was hugely appreciated. We're also grateful that so many of you purchased vouchers and products during our lockdown closure, this made a real difference. Thank you for supporting local businesses; we wouldn't be here without you.

Our final thank you is to all of you who took the time to complete our online survey. Your submissions have helped us work out what is most important to you and how we can improve our offering. So, you may notice some changes and updates soon.
