

Our Promise To You: *To deliver a luxurious spa experience.*

This year is undoubtedly whizzing by, and what a year it has been so far.

Like many of you, we've had a bit of a rollercoaster ride to date... Some massive highs, welcoming you to our new premises, and introducing you to lots of lovely products and treatments. But also a few lows... A COVID closure, swiftly followed by a burglary! But, we are grateful that our insurance claim has been processed and we are all keeping our fingers crossed that we don't face further COVID restrictions. Despite a few setbacks we have had a busy winter this year. We have welcomed a lot of clients who have stepped through our doors for the first time, it's always lovely to welcome new faces as well as treat our regular customers.

We love to know that we play a small part in helping you look after yourselves or treat your loved ones. Our vouchers and our fabulous Pure Fiji range continue to prove popular as gifts. We have packaged together some fantastic treatments so that staying at home or looking after oneself is something to look forward to. You may have seen our last 2 for 1 deal. If not, make sure we have your email address and that you open our emails! This particular treat was extremely popular, but like all our special deals, it was only on sale for a few days.

The festive season is fast approaching. Do make the most of your beautiful Nelson home by booking a pre-Christmas treat with a friend, enjoy some downtime and escape to the Islands at Woman. We can't wait to look after you, it's what we do best.

Bridgette and I have had a couple of conferences coming up. One with Sothys here in Nelson and (hopefully) another with Pure Fiji in Auckland. These always offer lots of inspiration and ideas for new ways to treat you!
