News from Woman
WINTER 2021

Our Promise To You: To deliver a luxurious spa experience.

The cooler months are always a welcome reminder to take extra care of ourselves. This year a holiday may not be on the cards, so enjoy the next best thing, take some pampering time in the Day Spa. Plus, we have some fantastic winter specials on offer, so it's a great excuse to take advantage of them!

Spring brought about change in the salon for us, as Delene has decided to step aside as manager of Woman and focus more on making time for herself outside of work. She knows it is in great hands with our incredible team. I am very excited and honoured to be taking over the role of the manager here at Woman. I look forward to continuing our high standards and upholding our reputation for excellence. Many of you will already know me, and I trust that the change in our day-to-day running will not have any noticeable effects on you.

As some of you may know, Delene lost her Dad recently, and I just wanted to thank everyone for understanding when sometimes their appointments could not go ahead as scheduled.

For the time being, Delene is working three days a week, so if you would like an appointment with her, I strongly advise booking ahead!

Stacey welcomed a beautiful baby boy to the world on the 16th of May, and both Mum and Bub are doing exceptionally well. Baby Michael came into the salon with Stacey at two weeks old and gave the whole team lots of delightful cuddles!
