News from Woman
SPRING 2021

Our Promise To You: *To deliver a luxurious spa experience.*

As we welcome in Spring, we want to thank you for all your support over winter, especially over this latest lock down. We have so enjoyed pampering you all and providing some much-needed escapism with spa treatments and massage.

With the warmer weather and beautiful Nelson sun on the way, we look forward to getting you all ready to dust off the open toe sandals and shorter hemlines. Remember, if you fancy a girl's day as we all come out of hibernation, we have options for group bookings and can cater for larger groups with advance notice. A group spa day also makes a perfect Christmas treat for your staff or work team; collaborate with us to show them how much you appreciate all their hard work!

Bridgette and the Dream Team!

If you follow us on social you may already be in the loop... But, in response to demand we have now launched online booking requests! If you do have a preferred therapist and are not flexible on times we still encourage you to book ahead. However, we hope that for those spur-of-the-moment appointments this will make your lives easier. *Please note we disable this facility during any COVID lock down periods.*
